

Working Dog Hall of Fame

The DDBSA WD Hall of Fame award represents an elite collection of working dogues. When an individual dogue has eclipsed all others in terms of total lifetime WD titles earned, they secure an admission into the DDBSA WD Hall of Fame community (Note; at least one WD III requirement of an RE or UD must be fulfilled to be eligible to be admitted to the Hall of Fame). Their place is held secure through their last year of life. The calendar year following their passing, another dogue is selected, who has demonstrated the most total lifetime WD titles, therefore becoming the next admission into the DDBSA WD Hall of Fame. Recognition of these top dogues in working venues is demonstrated through highlighting their achievements within the Hall of Fame page on the DDBSA website, and via certificate.
